

Corrected Link for Electronic Scoping Comments

On the Swauk Pine Restoration Project

The March 28, 2014 **scoping letter** lists an incorrect address/link for submitting electronic scoping comments. If you wish to respond electronically during scoping, please use the following address:

comments-pacificnorthwest-wenatchee-cleelum@fs.fed.us

Comments already submitted electronically to other Forest Service inboxes will be accepted.

As always, written scoping comments may also be submitted by ground delivery or U.S. mail to:

Cle Elum Ranger Station,
803 West 2nd,
Cle Elum, WA 98922.

We value your input during this early stage of planning, and apologize for any confusion or inconvenience.
